**The
Oregon Republican
Leadership Excellence Series
Fall/Winter 2009-2010**

Now's the time to apply for this in-depth Leadership Training Series! It is designed to build a pool of educated and motivated Republican leaders for Oregon at every level. Graduates will learn the skills needed to enter into public service as board members, committee members, political party leaders, campaign workers, and as future candidates.

Download the attached brochure and confidential application and study it. Contact me at kkferg2588@comcast.net or 541-344-5954 with any questions. Then, forward it to everyone who might be interested in applying. Be sure to think beyond the Republican Party organization to potential leaders who would be an asset to Oregon with this kind of education. August 25th is the deadline, so time is of the essence.

These are the major topics that will be covered in **The Oregon Republican Leadership Excellence Series:**

History of the Republican Party
Ethics & Public Policy Formation in Government
The US Constitution as the Basis for Government
The Principles of Great Leadership
Presenting Yourself and Communications
Elements of Successful Campaigns
Laws and Regulations Governing Campaigns

The course will be offered over a series of weekends in a different venue each month. Cost to the student is \$200, and the balance of the tuition, room and board, and materials will be provided. An outstanding faculty of specialists in their fields and legislators will present the classes each month. Culmination will be at the Dorchester Conference in Seaside.

I look forward to hearing from you. If you would like me to send materials to a potential candidate, please send me their name and address or email.

All the best to you,
Kerry Ferguson
